Orientation Information

Another important event to attend before school begins is orientation, held from 9-11 on August 17th. At this meeting parents are given the chance to meet the teachers and other parents, as well as ask last minute questions. During the parent meeting, incoming CMP students meet the teachers and other students, and explore the classrooms and playground. You'll get packets of important back-to-school info, and a chance to let your child get used to the school with you just one room away. See you then!

Work Days

At the end of summer our school is going to turn into a busy beehive

of activity for three days of back-to-school bustle, prepping the classroom and yard. Teachers, parents, CMP students, and even CMP alums work hard to get everything ready for school. The toys are freshly washed, the play structures are shined and sparkling, the sand and bark are replenished...just in time for the kids to come and enjoy them! This is a great way to fulfill your three required work hours, so we hope to see many of you there! By the way, your kids are encouraged to come as well, we will provide daycare and snacks. Note: Bark day involves lots of heavy lifting, so bring the muscles that day!

First Day Checklist

- ✓ Submit all paperwork (immunization record, tuition contract, physician report, emergency contact info). Students can't begin school without a physician report and vaccination record done within 6 months of 8/20/18.
- ✓ Bring tuition (due on the 1st of each month, late after the 10th).
- ✓ Camera to take the first day of school photo!

Packed Lunch

Each day your child attends they will be required to bring a labeled snack for snack time. We ask that you keep the snacks healthy. If your child is staying past noon they will also need to bring a packed lunch. Water and cups will be provided by the school.
