### A Note From Director Jill,

January brought us some welcome rain, but with that the teachers had to be on their toes to keep the children occupied with indoor activities! We had fun making giant Clifford dog faces, night sky bunnies and snowmen. Just around the corner will be Valentine's Day, always a favorite time at CMP. Happy Valentine's Day!

### Parent Work Hours

Please remember to fulfill your parent work hours(3) by the end of the school year. If you are a new parent to CMP as of January, you are only expected to contribute 1.5 hours of help. Please let Jill know if you'd like to volunteer or help out during an event!

### Valentine's Day Details

The week before Valentine's Day each student will make a valentine bag. Children may bring valentines in on February 12,13 and 14 to put in the bags. Please do *not* write recipients names on the valentines or envelopes; *your* child's name on the valentine is all that is needed. Please bring **30** student cards & **4** cards for teachers. Kids will take their valentine bags home on 2/14 or 2/15.

### 2019-2020 School Year

Re-enrollment papers for 2019-2020 will be in your file folders later this month. Please return your paperwork by the first of March to ensure that you get your preferred days at CMP next year. New students to CMP will be registered in March, so if you have friends who are interested in enrolling, please send them in!

### PJ Story Time

We've got another fun PJ story time planned with a special guest invited to read to the kids. It will be held Wednesday, February 6 from 6:30-7:30 pm. Come join us for a night of cuddly kids, sweet stories, & tasty treats!

### Wish List:

- Valentine Stickers
- Miracle Bubbles(Target)

### Little Bitty Bios

**Masha**, is ready for school from the moment she comes in the door. She is our youngest at CMP, is very focused and in the moment with all that she does. She is learning how to count in English and loves to share it with us.

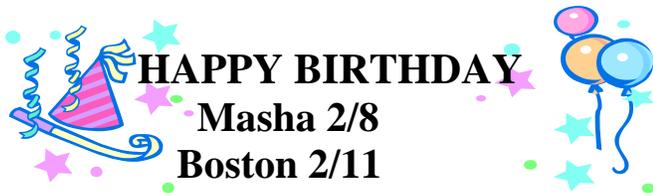

**Evalette** comes to school with a huge smile on her face. She wishes her Daddy a good day at work (several times) and plays the day away. She loves all of her friends.

**Alara** is very self sufficient. Her love of art is evident as the first thing she does every morning is check out what is happening in the art room. Every piece she creates is done with great care and thought.

**Abby** spends time in each and every area our school has to offer, although dressing up might be her favorite thing to do. She has the most

realistic neigh, neigh while riding the stick horses in the play yard.

**Johnathan** enters school with enthusiasm and a big hello to all. He takes pride in reading the exit sign above the front door. Outside you can always find him using the bubble wand.
